The purpose of the guidelines listed below is to assist in managing the use of this facility in accordance with the mission, vision, and values of Summit Leadership Foundation. We desire to serve the needs of leaders in our community to help them be most effective in their ministries, churches, and businesses. ## Partnership

The vision for the Summit facility is to establish a neutral non-church setting for connecting leaders to most efficiently serve our community. Space in this facility can be used for both ministry and business functions as long as the purpose of the meeting remains consistent with our mission, vision, and values, and does not promote ideas contrary to the statement of beliefs of Summit Leadership Foundation. Space can be reserved on an ongoing basis as long as the financial commitment for the partnership level is current. If you would like to learn more about a Summit Business Partnership, please contact Matt Overby [matt@summitlife.org](mailto:matt@summitlife.org) or call [423-283-7557](tel:423-283-7557).
