

2023 Nonprofit Partner Program

Summit Leadership offers three Nonprofit Partnership levels: our Primary Partnership, our Plus Partnership, and our Premium Partnership. Summit Leadership's services at each level are designed to help nonprofits save money, attract volunteers, and increase funding for their organizations. Each level assumes agreement with Summit Leadership's vision, mission, and defining values.

Summit's Vision: *Creating a global collaborative network of Christ-centered, community-specific, relational hubs.*

Summit's Mission: *Serving communities around the world with the love of Jesus Christ by creating relational hubs for Connecting, Consulting, Coaching & Caring.*

Summit's Defining Values:

1. *Serve First: Always seek to take the lead in serving others.*
2. *Three Wins: Good for those we serve. Good for the community. Good for Summit.*
3. *Relational, Not Transactional: Serving through relationship instead of through contract.*
4. *Power of Connecting: Believers, as the branch, must be connected to Christ as the vine, so we seek to naturally connect the right people to the right resources to further His kingdom.*
5. *God Owns the Bakery: When God calls us, He supplies all that is needed.*
6. *All About the Harvest: Keeping the lasting, eternal & spiritual impact in mind with all we do.*
